

Enrollment for Spring 2009

We are accepting applications for Spring 2009. If you recognize the importance of Christian education in your own children's lives, tell other parents about the benefits of a small Christian school. Talk to those around you that you know need to be in a Christian school and have them pick up an application.

Christmas Tree Lot

While the school is not hosting the Christmas Tree Lot this year, King's Cathedral and Chapels are hosting one. As a ministry of KC the school has been asked to help, albeit for a percentage of the profits. The school has signed up for Mondays, Wednesdays and Thursdays from 4pm-9pm. If you can help, please contact the school office at 871-2477 to sign up.

We are online!

KHCS has a brand new website, www.KHCSMaui.com! We encourage all of you to go online and become members of the website. This will make it easier to send out information and updates to you more often than once a month.

Thank You

On behalf of our staff, faculty, students and parents, KHCS would like to thank some very special people for their help this year. We would like to thank Tim Drake for helping us run cable from the computer lab to the office. We would like to thank Darren Ho for his help and paint for the school sign. Thank you to Christopher Takitani for repairing the girl's bathroom. We would also like to thank Chelsee Rodrigues for all her hard work this semester. She is a graduate for KHCS and has been teaching our senior bible and history courses this semester. She is getting married in January and moving to the mainland. She will be missed.

New Schoolwear Available

School polos with the new school logo will be available soon at Royal Hawaiian Shirt Works. Price to you is the same as before. Also, we are gathering orders for school approved zipups/hoodys with the school's logo on it. If you are interested please contact the office. Cost will be \$25. We need a minimum order of 12. We will place the order on December 10th.

NEWSLETTER

DECEMBER 2008

From the Principal

As some of you might have noticed we are revamping KHCS's image to reflect the changes internally. We had a big Spring 2009 kickoff on November 23rd and it went well. Thanks to all who showed up and helped us with our presentations. At this kickoff we introduced our new signs, our new permanent place in the church bulletin, a new commercial, introduced our new website (and you thought it would never happen), as well as showcased our best advertisements, the students themselves.

One of the small but great things about our school is the ability to say Merry Christmas without having to worry about some parent or student getting offended. Many public schools will not allow this to happen because someone might get their feelings hurt. But we know that this is a merry season as we remember the birth of Christ, our savior. This is something that we can be merry about! So as we finish out a great semester, on behalf of the Board, the faculty and staff and the whole school, let me wish you all a

Merry Christmas and a Happy New Year!
